Just to clarify. You are not making a CBI determination. Rather, you will be analyzing the response and making a recommendation to ORC (Jenny). Just be sure to explain the reasons for your recommendation so that Jenny will have something to work from.

Hi Sandy,

I will review the response and make a CBI determination.

Thank you for the memo example.

Calvin

Hi Calvin,

Your office will need to review (I assume it is you who will have to do this) and determine if the information claimed as confidential is indeed confidential information. You will need to send a memo to Jenny that includes your analysis and conclusion. Jenny will rely heavily on the Program's opinion when she is putting together the decision for Sylvia's signature. I have attached an example of a memo put together by a program office. Sorry it is a bit dated and on a different subject but hopefully it is still helpful.

Hi Jenny and Sandy,

Attached are SEI's response to our CBI substantiation request.

Any suggestions on how to review this type of response and/or make CBI determination?

Thanks,
Calvin

Calvin and David,

Attached please find a letter, along with 3 attachments referenced therein, that are responsive to your Substantiation Request re Confidential Business Information submitted to the EPA by Clean Energy Systems. Please let me know if you have any questions or concerns.

Best Regards,
Julie

Subject: EPA's Request for Confidential Business Information Substantiation

***** External Email *****

Dear Ms. Hardie:

Attached is a request for confidential business information substantiation regarding the seismic data from Seismic Exchange Incorporated that was used in Clean Energy Systems' Underground Injection Control Class VI Pre-construction permit application.

Please confirm receipt of this request and let us know if you have questions about the request.

Sincerely,

Calvin Ho
